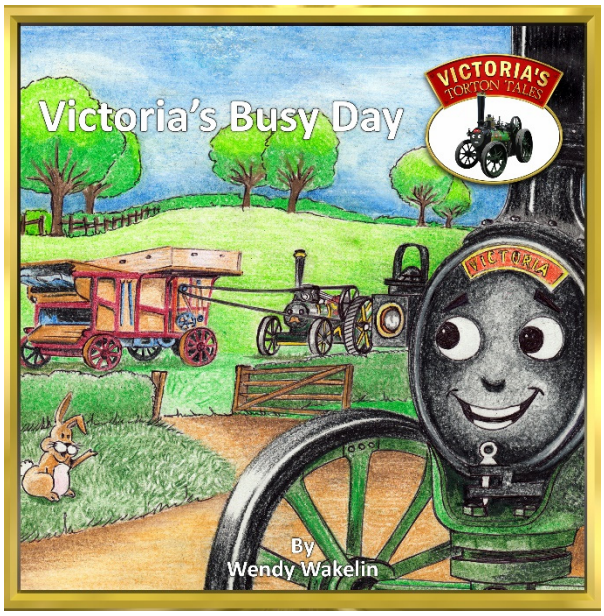
Victoria's Busy Day



Victoria likes nothing more than spending a busy day working with her owner, Mr. Seward, and friend Albert, bringing the sacks of corn in from the fields. Today there's a surprise when she discovers something in the barn at Mr. Andrews' farm…

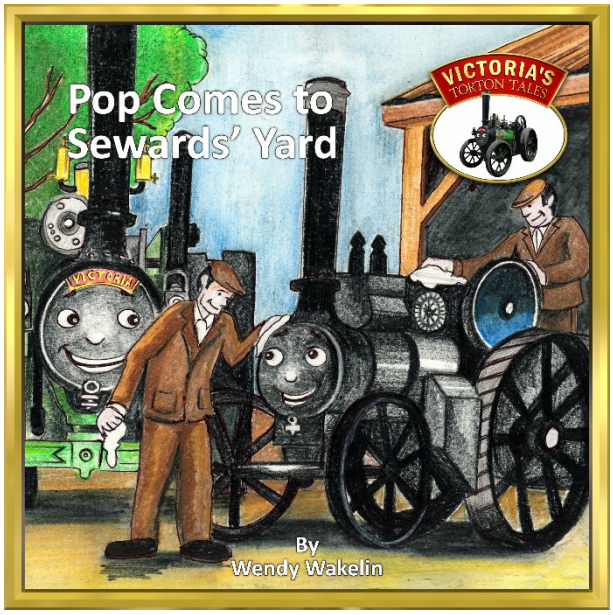
Pop Comes to Sewards' Yard



It had been quite some time since poor old Pop was last in steam and helping Mr. Andrews on his farm. When Pop was found by Victoria and Mr. Seward they said they would help him, but that was weeks ago! Pop longed to be out in the sunshine instead of being stuck in a cold, damp and dusty barn with junk piled up around him…

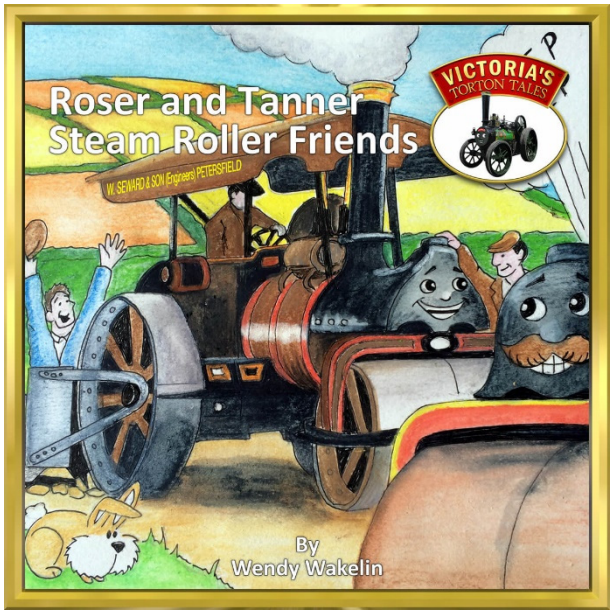
Roser and Tanner
Steam Roller Friends



It's an early start for best friends, Roser and Tanner, the steam rollers. As usual, Tanner wants to get going, and Roser is happy to be out and about with his friend. On this trip, Tanner is given the chance to try something new, that normally only Roser does. Will she do it?
